

AMAR NATH VIDYA ASHRAM

SENIOR SECONDARY SCHOOL, MATHURA

Dear Parent & Students,

The first step in making your Higher Secondary story a success is the 11th standard. It is an important juncture in a student's life, as they prepare to craft their future in a fiercely competitive world. It is imperative to have a good grasp of the underlying concepts in the subjects that you study in 11th standard. In the dynamic world today, to succeed requires not just good intellect but also a confident personality. At Amar Nath Vidya Ashram we have always emphasized the importance of a strong foundation when it comes to either the Academic education or the holistic development. As the new academic year 2022-23 commences, Let's understand why a good grasp on the 11th standard curriculum is important for future considerations and undertakings.

Covers most important Topics: Some of the most important topics like Rotational Motion, Kinematics, Simple Harmonic Motion (for Physics), Chemical Bonding, General Organic Chemistry, Equilibrium, Atomic Structure (for Chemistry), and Probability, Limits and Continuity, Coordinate Geometry (for Mathematics), etc. are taught in 11th standard. It is also a known fact that 11th standard syllabus weighs heavily in all the major national competitions. Hence, having a good grip on Class 11 syllabus would definitely help you succeed in future.

Useful in professional courses: The concepts taught in 11th standard helps in all aspects in courses like Engineering, Financial Accounting or Economics. Especially mathematical concepts like Calculus, Trigonometry, and Introductory Microeconomics.

It is a confidence booster: We have observed from our experience that students performing well in 11th standard, achieve exceptional results in their 12th standard board examinations. So, 11th standard lifts your morale and acts as a confidence booster for your Class 12 board examination.

Prepares you for 12th Standard Boards: Apart from the aforementioned benefits, the concepts learned in your 11th standard syllabus go a long way in helping you understand the ones to be learned in Class 12. Don't forget that a good score in 12th standard is a prerequisite for JEE-Mains and other major competitions in the country.

Admissions to Class-XI are now open. We at our Amar Nath Vidya Ashram would like your child to have the opportunity to grow and realise their dreams. We invite students for enrolment in 11th standard. Allow our school to be your child's partner in their growth and development. Apart from Science and Commerce streams we've re-introduced Humanities from this year onwards. We encourage you to come forward as we will firm up the foundations so strong that their way great career is smooth and unequivocal. We have no pre-conditions in our Admission policy and we treat each student individually, so come forward without hesitation. The only thing we observe is how much you yearn for the knowledge and your goals.

Kindly come and meet our admission counsellor between 10:00 AM to 02:00 PM on all working days. Our admission counsellors are keenly awaiting to take you through the features of our Class-XI academic program. For further you can visit our website www.anvaschool.com or you can personally write to me on varun@avasco.in, I look forward to having you with us at Amar Nath Vidya Ashram School Mathura.

Best Wishes.

Dr. Arun Kumar Vajpeyi

Principal,
